Children Changing the World

“Read to Feed is more than a reading programme; it is also an opportunity for children to change the world.”

—Archbishop Emeritus Desmond Tutu

HOW READ TO FEED WORKS:

Read

Read to Feed encourages a love for reading. Through Read to Feed, students are inspired to read books for the sheer joy and pleasure of reading. The more they read, the more they learn about the amazing worlds reading can open up for them and the more they help those less privileged than themselves.

Learn

Through Read to Feed, children have the opportunity to learn about hunger and poverty in South Africa and beyond, and to discover how Heifer's work can solve this problem. Most important, children learn that their small actions, like reading a book, can change the world for the better. They will discover that every little donation makes a difference in someone's life.

End Hunger

For every book they read, children collect small sponsorships. The funds they raise help Heifer International South Africa assist thousands of rural people to grow healthy food for their families to eat and to sell by providing seeds, trees, livestock and intensive training and support.
